SEED ANNUAL

for 1932

To Our Friends and Customers:

As the old year has ebbed away, THE DANISH SEED IMPORT wishes to thank all our friends and customers for their splendid co-operation and liberal patronage during 1931, and trust that we may be favored with your valued orders in the future.

Our policy for 18 years has been Quality First, always at the lowest possible price, every day of the year—not "sale days" or "special occasions" but ANY DAY. Price without quality means little even in these times when we are all trying to make every dollar count. Quality as well as price is still the accurate yard stick of true value.

On the first five pages in this catalog we have listed varieties which were not in our catalog last season.

Any order or inquiry sent us will receive prompt, careful and courteous attention.

Respectfully yours,

DANISH SEED IMPORT,

Chris Mosberg.
